

## Holey Basil Pesto

Recipe by @ceireskitchen

### Ingredients:

- 2 large handfuls of basil/rocket (make sure to give your leaves a good wash – especially the holey eaten ones!)
- 3 florets of broccoli (including the stalk)
- clove of garlic
- 50g pumpkin/sunflower seeds/almonds
- 60g parmesan/cheddar cheese
- ¼ apple
- ½ cup olive oil
- 3 TBS balsamic vinegar (or lemon juice)
- pinch of salt

### Method:

1. In a food processor, mix all ingredients together until a smooth consistency. Add more seasoning if necessary.
2. Enjoy your pesto on a piece of Madpakken sourdough bread, with cucumber sticks or on a bowl of pasta!
