Incredible Edible Broome Strategic Plan 2023-2024

VISION: *We envision a vibrant Broome food community where people of all ages and cultures are empowered to access, grow, produce and eat diverse local foods through shared experiences.*

GOALS

01
Engaged and connected Broome Community

02
Family friendly and culturally diverse opportunities

03
Skilled gardeners, producers and eaters

04
Supported and active community gardens and gardeners

05
A vibrant and well managed group

06
Informed community on food security issues
